INTRODUCTION
Dear Parents, Guardians, and AMBITION Attendees,

We urge you to read this handbook carefully with your attendee(s). Each attendee is personally responsible for reading and understanding all rules, regulations, and expectations before entering a program at NFA. The National Flight Academy’s mission is to provide a fully immersive, fun, and safe environment for all attendees. To achieve this mission all attendees must adhere to the rules and regulations listed in this document. Your role as a parent, guardian or an AMBITION attendee is as important as any of our enthusiastic staff members’ in making the National Flight Academy (NFA) a rewarding place to live, study, and learn.

We look forward to sharing a great adventure with you onboard NFA AMBITION (CVT-11).

The access card will serve as a key to his/her stateroom and to other areas accessible to attendees.

▲ If an attendee loses the access card or lanyard, another will be issued as soon as possible.
The lanyard shall be worn at all times, especially during academic classes, meals and off-ship excursions (field trips) to readily identify the CAG and squadron to which each attendee is assigned.

Each access card is specifically issued to one attendee and is not to be exchanged with other attendees. At the end of the program, attendees are to return access cards to NFA staff. Lanyards and name cards may be taken home by the attendees.

CODE OF CONDUCT

RIGHTS & RESPONSIBILITIES

Attendees at the National Flight Academy are protected under the rights of the constitution and are held responsible for adhering to state and federal law. NFA expects reasonable behavior from attendees. The following rules and regulations are to be abided by during the entirety of the attendee’s stay at NFA.

RULES OF CONDUCT

The following rules of conduct apply to all attendees participating in a program at the National Flight Academy, especially while involved in off-ship NFA-related activities and during transportation to and from the NFA.

▲ Disruption of Training

An attendee shall not by use of violence, force, coercion or threat cause material disruption or obstruction to the carrying on of a normal day. Attendees also will neither advocate nor incite others to cause disruption of the training process or to violate NFA rules.
Damage & Theft of Property
An attendee shall not cause or attempt damage or thievery of NFA or personal property or coerce others to commit the same.

Assault (Physical & Menacing)
An attendee shall not act or behave in such a way as could cause, or threaten to cause, physical injury to another person.

Dangerous Weapons & Instruments
An attendee shall not possess, handle, transmit or conceal any object which might be considered a weapon or instrument of violence capable of harming another person.

Tobacco & Alcohol
An attendee shall not possess, use, transmit, distribute, conceal or be under the influence of tobacco or alcohol.

Narcotics & Drugs
An attendee shall not possess, use, transmit, conceal or be under the influence of narcotics, drugs or similar substances.

Insubordination
An attendee shall not disregard or refuse to obey reasonable directions or commands given by NFA personnel or those individuals vested with NFA authority.

Frightening, Degrading, & Disgraceful Acts
An attendee shall not engage in any act that frightens, degrades or disgraces other persons by written, verbal or gestural means.

Profanity & Obscene Language
An attendee shall not use profanity or obscene language to include written, verbal gestures, signs, pictures or publications.

Inappropriate Dress
An attendee shall not dress or appear in a fashion deemed inappropriate under the NFA dress code policy.
PUBLIC DISPLAY OF AFFECTION OR AGGRESSION (PDA)

Attendees are reminded that public displays of affection, outside of family members, are not authorized. Additionally, attendees are reminded that they are not to act or behave in such a way as could cause, or threaten to cause, physical injury to another person.

PERSONAL & SEXUAL HARASSMENT POLICY

NFA is committed to maintaining an environment for all members of the facility that is free from all forms of harassment. NFA does not tolerate harassment of individuals based on age, color, gender identity or expression, genetic information, mental or physical disability, national origin, race, religion, sex, sexual orientation or on the basis of any other condition or characteristic protected by federal, state or local law. Harassment of any member of NFA is considered misconduct and will be subject to disciplinary action, up to and including dismissal if warranted. Conduct that has the purpose or effect of interfering with an individual’s academic or work performance, which creates an intimidating, hostile or offensive learning or living environment is prohibited.

Any individual who believes they have been harassed in violation of this policy has the responsibility to discuss it immediately with any NFA staff member. All discussions will be kept confidential.

Allegations of any harassment brought to a staff member’s attention will be reported by that staff member to a Senior Chief immediately. It is much easier to discuss, investigate, and resolve such matters while the facts are still fresh in one’s mind. If discussion of the subject with the staff member would be embarrassing, uncomfortable, or if the staff member is involved in the allegation, the individual is encouraged to go directly to a Senior Chief. NFA will take immediate action to investigate any such complaints thoroughly.

STATEROOM LIVING

Attendees will share a stateroom with 1-5 other attendees of approximately the same age; therefore, it is important for each attendee to be courteous of other roommates. The condition of your room is a reflection on you as a person and your sense of responsibility.

Stateroom guidelines attempt to help you be considerate of others and to encourage you to use your time effectively. Following these guidelines makes our facility a better place to live and grow. Other standards are dictated by the nature of our facilities and to preserve the safety of all attendees. In the event
that you are asked to complete an action or modify your behavior by a staff member, please remember that staff will only ask you to do something if it is in yours and the other students' best interests. Staff member will never target one student individually but will address concerns that affect the well-being of other students.

**STATEROOM LOCKERS**

All attendees will choose a locker in their assigned staterooms. Attendees will be required to keep their valuables locked up if left in their rooms. Nothing of value should be left out. NFA is not responsible for missing or stolen items at any time during the attendees' visit. Each attendee is required to bring a lock to place on the chosen locker to properly secure valuables. If a lock is forgotten, locks are available for purchase.

Due to NFA's location on a military base, there is no expectation of privacy, even when using a privately-owned lock. At any time, NFA Staff or the military police can conduct a drug and contraband sweep using working dogs. If drugs or contraband are suspected, the locker(s) will be opened for further inspection.

**STATEROOM GUIDELINES**

- No modifications of any kind will be made to the staterooms
- Due to fire precautions, no irons, toasters, hot plates, microwave ovens, coffee makers, rice cookers, sun lamps, halogen studying lights or heating appliances are allowed in staterooms. Smoking, use of candles or incenses or any type of activity causing a fire hazard in the stateroom is strictly prohibited and considered a major infraction
- Radios and stereo equipment will only be used with consideration of the rights of other stateroom occupants
- Stateroom doors automatically lock and can only be unlocked by residents of that stateroom. Attendees may not prop stateroom doors open unless instructed by a staff member
- An attendee may not, under any circumstances, visit the staterooms of the opposite gender
- No person(s) from outside the NFA facility may visit staterooms unless specifically authorized by the staff or Resident Advisor (RA)
- You may not change assigned rooms without direction of NFA staff
- No pets of any kind are allowed in attendees' rooms
- When attendees leave NFA, they are responsible for their own belongings. NFA will take no responsibility for items left behind
- All medications must be submitted to the nurse to be administered. Attendees are not to have over-the-counter medications in their rooms without the nurse's permission

Each day, prior to going to breakfast, your room must be in the following condition:

- Bed made neatly and completely
- All clothes are to be properly stored either on hangers in the closet or wardrobe, folded in dresser drawers or in a laundry bag
- Shoes stored in closet or wardrobe
- Personal items on the desk or in closet arranged in an orderly fashion
- Desk and drawers closed with the chair placed by desk
- Floors clean and all trash in waste container and the waste container placed outside stateroom by the door
- Lights, radios, stereos, etc. turned off
- Blow dryers, curling irons and electronic device chargers are to be unplugged

**LIGHTS OUT**

Lights out will be observed around 10:30PM CT every night. At this time, all attendees should be in their own staterooms and bunks with stateroom lights off. Attendees may use headphones to quietly listen to music as long as it does not disturb bunkmates. We highly encourage attendees to sleep when lights out is called since they will wake up at 6:30AM CT every morning. All noise producing activities (talking etc.) will cease and be enforced by RAs and security.

**LEAVING THE FACILITY**

The program at NFA is an immersive experience portraying an aircraft carrier at sea. The *AMBITION CVT-11* will get underway on the first day of the program and will arrive back in port on the last day prior to graduation; to support this experience, leaving the facility is prohibited. Exceptions will be made for emergencies and on a case-by-case basis.
COUNSELING
Attendees should feel comfortable to seek help with personal problems by speaking with staff, RAs, or administrators. Conversations with staff may be confidential; however, any issue involving potentially harmful or criminal activities will be brought to the attention of the appropriate authorities. Conversations with the nurse on health-related issues are also confidential.

DISCIPLINE SYSTEM
In the event disciplinary actions are needed, they will be handled by the senior NFA staff in the order of Senior Chief, Program Manager, and, as a last resort, the Director of Education. All disciplinary actions, whether minor or major, will be communicated to the parent in a timely manner. Each offense will be addressed on a case-by-case basis depending on the severity of the incident and may result in possible dismissal of the attendee. Additionally, a government agency may investigate for further action. Incidents and disciplinary actions will be thoroughly documented.

Personal Electronic Devices Policy
DISCONNECT-TO-CONNECT
Interpersonal communication is one of the 21st Century Learning Skills we hope to enhance in our students and we have found that students are distracted by their Personal Electronic Devices (PEDs). These electronic devices have become a common means of communication and information access in today’s society. These devices have the potential of disrupting the immersive educational environment at NFA. Because NFA has a limited timeframe to demonstrate to your student(s) how Science, Technology, Engineering and Mathematics (STEM) can be fun, interesting and can lead to many lucrative careers, students will not have access to their PEDs during their Deployment, or any other NFA program. Students will be asked to turn in their PEDs upon check-in. All electronic devices will be returned to students the evening prior to the program conclusion, so students may ensure their device(s) is/are fully charged for traveling the following day. NFA will encourage students to inform their parents/guardians they have arrived safely at NFA before turning in their PEDs.
Parents/guardians may email students via the messaging system within UltraCamp (see detailed instructions under “EMAIL” below).
If there is an emergency, parents/guardians can always contact NFA at 850-458-7836. This phone number is always answered. Emergency phone calls will be returned no later than 30 minutes after your initial call.

EMAIL
If you would like to send emails to your student, you can do so through your UltraCamp account (login to access “E-mail a Camper” under “Additional Options” drop down). Emails are printed and delivered daily by 1300 (1:00PM CST). NFA will ensure that your student’s handwritten response is emailed back to you within 24 hours. Emails cost $2.00 each. Please do not send attachments with an email as NFA will not be able to print them.

MAIL
Students love getting mail! Each day they hope for a note from home, so write soon and encourage relatives to do the same. If mail arrives before your camper, NFA will hold it until the first full day of the program. Mail can easily become competitive, so please do NOT send packages. Packages will be held and returned to parents after graduation.

However, attendees may purchase merchandise from the ship’s store including NFA logo merchandise and souvenirs. Cash is recommended to purchase merchandise from the ship’s store. Prepaid credit cards are accepted. Attendees can shop at the museum gift shop when visiting the museum.

SPECIAL DIETARY REQUIREMENTS
The National Flight Academy accommodates attendees with health-related dietary restrictions and requirements when it is disclosed on the online registration form that parents or guardians fill out when registering a student. If the dietary requirements exceed our capabilities, NFA will contact you a minimum of one week prior to the start of program to settle arrangements for their dietary needs. Do not send meals to NFA with the attendee unless you have made arrangements with NFA staff.

To notify our staff to discuss any health-related dietary restrictions, please contact us at (850) 458-7836, or e-mail us at info@nationalflightacademy.com.

SPECIAL NEEDS ACCOMMODATIONS
Every effort is made to accommodate individuals with special needs, including privacy concerns, hearing or visual impairments, individuals in wheelchairs or special dietary requirements. To learn more about our capabilities, please call our staff at (850) 458-7836, or e-mail us at info@nationalflightacademy.com. We require advance notice on our health form if an attendee has restrictions or special needs. The facility is designed in compliance with the Americans with Disabilities Act.

ROOMMATE REQUESTS
There is no guarantee that NFA staff will be able to accommodate any roommate request. Requests should be made online at time of registration and are subject to availability and the age and gender of requested attendees. Requests that are not made online during registration must be made no later than four weeks prior to your program session’s start date. These late requests can be made via e-mail at info@nationalflightacademy.com.
VISTING THE ATTENDEES

We discourage visits while the program is in session so your attendee and others may have a truly immersed experience. We encourage parents to attend graduation ceremonies and the following tour of the facility with the attendees. Please contact our administrative staff at info@nationalflightacademy.com in case of emergency.

SPENDING MONEY

Attendees benefit from having cash to make purchases at the NFA ship’s store, museum store or for use in select vending machines at our facility. A minimum of $30.00 is recommended during their stay. For use in the vending machines, dollar bills are suggested. The ship’s store will accept cash (US Currency), credit cards as well as prepaid credit cards. Safekeeping of cash and cards are the attendees’ responsibility and they are encouraged to keep them secured in their personal lockers. We will encourage attendees to log serial numbers of each denomination for reference.

MEDICAL SERVICES (SICK BAY)

The NFA will provide basic sick call services through a full-time registered nurse (RN) hired and employed by Sacred Heart Health System. Our Sick Bay provides medical storage, including refrigeration and secured facilities, for attendees requiring specialized medicines. Safety and medical care are based on requirements set by the American Camp Association.

NFA staff are trained and certified in American Heart Association Basic Life Support (BLS), which includes CPR, First Aid, Professional Rescuer/First Responder and Automatic Electronic Defibrillator (AED) training. NAS Pensacola provides 24/7 paramedic and ambulance response for any emergency situations. Clerical responsibilities of the RN will include maintaining the signed HIPAA forms and the medical history forms, storing and dispensing the attendees’ medications and providing basic sick call and first responder coverage for health care issues.

CONQUERING HOME SICKNESS

The key to dealing with homesickness is to prepare the attendee in advance:

- Do not tell attendee(s) you will check them out if they do not like the program
- Do not go into great detail about what your attendee may be missing at home
Do ask a close friend or relative to register for the same session your attendee is attending
Do have your attendee spend the night with friends or relatives
Do discuss what the program will be like before your attendee leaves home, addressing any concerns
Do assure your attendee of your love
Do send along a favorite stuffed animal

If, despite all efforts, your attendee does become homesick while at NFA:
Do reassure your attendee the program is an opportunity for attendees to grow, mature and gain independence
Do not mention how much you miss your attendee
Do acknowledge your attendee’s feelings

CHECK-IN PROCESS & SEQUENCE OF EVENTS
Please note, times may vary for all programs. Please look at your registration information to verify all check-in times for all Deployments.

CHECK-IN
An authorized individual (listed during your registration process) should check-in each attendee. During check-in, they will be asked to verify that the emergency contact and attendee release information previously submitted is correct. If your attendee(s) will be coming to the NFA without an authorized individual, please contact us ahead of time at (850) 458-7836, or e-mail us at info@nationalflightacademy.com and follow the guidelines listed in Transportation. Please note, in the event an attendee is utilizing NFA’s airport transportation service, a member of our staff will serve as the authorized individual. Please feed your student before checking them into NFA, as lunch is not provided.

The nurse will collect all prescription and over-the-counter medications during check-in. Maintaining attendee privacy is of high priority, so please be advised that the check-in line may overflow outside our building during peak times. Keep this in mind and try to arrive as early in the check-in process as possible. Based on group size, check-in times are subject to change.
After attendees are checked in, we ask the parents, guardians, and family to depart *AMBITION* to allow attendees to begin their immersed experience and fully concentrate on orientation.

**MUSEUM**

The museum opens at 9:00 AM and attendees and their family members may tour the museum prior to drop-off. On your way to locating the *AMBITION* portal, enjoy the museum and its world-class aircraft exhibits. Luggage is not permitted inside the museum, you must leave it in your car until the designated check-in time.

**GRADUATION, EARLY DEPARTURE, & CHECK-OUT PROCESS**

**GRADUATION**

If a graduation ceremony is scheduled for your event, all attendees participate in a graduation ceremony on the final day of the event. Graduations will be in the Blue Angel Atrium inside the museum unless otherwise stated. Family, guardians, and friends are encouraged to be present at the graduation ceremony. Following graduation, attendees are encouraged to take friends and family on a tour of *AMBITION* and share the exciting experiences from the program. The ship will remain open for approximately one hour after the graduation ceremony.

**EARLY DEPARTURE**

Parents that wish to pick up students early from NFA must do so by Thursday at 4pm CST. Early departures on Friday are not permitted without prior written authorization from NFA, they must be submitted by Thursday by 4pm CST.

**CHECK-OUT**

The safety of every attendee is NFA’s top priority. To ensure this safety during the check-out process, we ask that all parents/guardians have a picture ID to match an authorized pick up list provided during registration. Attendees may not leave the care of NFA staff until they are properly signed out. Additionally, attendees must proceed from the National Naval Aviation Museum to the National Flight Academy unaccompanied by parents or guardians for a final check-out. Prior to departing *AMBITION*, it is your responsibility to retrieve all medicine from the nurse. Any medications left after the program will be properly disposed of at the end of the day. The National Flight Academy will not ship accidentally left medications.
TRANSPORTATION

PERSONAL VEHICLES

A parent or guardian is encouraged to attend check-in and check-out and should transport attendees arriving by car. Due to safety and liability issues, it is discouraged for high school attendees with a valid driver's license to drive themselves to the facility. Parents must notify NFA when they register if their student is driving themselves. In the event a student drives themselves they will need to turn in their keys for safe keeping.

PENSACOLA INTERNATIONAL AIRPORT PICK-UP & DROP-OFF

Shuttle service will be provided between Pensacola International Airport (PNS) and NFA for an additional fee each way. Arrangements must be made four weeks in advance directly with the NFA staff, and is therefore the responsibility of the parent, guardian, or registered account owner to contact NFA to request this service. A prepaid fee will be assessed if this service is necessary. It is recommended that you book a flight arriving at PNS no later than 10:30CT on Sunday morning.

TRAVEL ITINERARIES

Parents and guardians are responsible for providing NFA with a detailed travel itinerary to include the airline flight numbers and arrival and departure information at least four weeks prior to program start date.

LATE SCHEDULING

Any changes to transportation arrangements must be coordinated with NFA staff at least four weeks prior to the attendee's deployment. Each individual change to flight itinerary will incur a $50 late scheduling fee; per child. Involuntary itinerary changes made by air lines (i.e. delayed flights and cancellations) should be forwarded to NFA staff and will not be subject to the late scheduling fee.

UNACCOMPANIED MINOR (UM) REQUIREMENTS

Parents and guardians are responsible for notifying NFA if an attendee is travelling as an UM with an airline. The airline requires the NFA staff to remain with the UM through security, boarding, and take-off; therefore, additional time and staff will need to be planned accordingly prior to the attendee's departure. Do not make flight arrangements for the last flight of the day into the area in case of delays.
INTERNATIONAL ATTENDEES

Due to our facility’s location on a U.S. Navy base, any international attendee (a foreign citizen who does not possess a valid US passport) will have to contact NFA after registering, so that we can help parents and attendees get entry onto base. To learn more about what you will need to do, please call our staff at (850) 458-7836, or e-mail us at info@nationalflightacademy.com.

This will only be waived in the case of illness or accident prior to program start date with written documentation by a physician. Transfer requests will not be accepted inside four weeks prior to the registered program start date.

PROGRAM CANCELLATION

The National Flight Academy reserves the right to cancel a program under the following circumstances:

The National Flight Academy will offer to transfer the attendee to another week without charge or provide a credit to be used for another season. * In case of such weather issues, cancellation notifications may be made with little notice.

⚠️ Program dates are subject to cancellation or rescheduling in the event of base closure or restricted access to NAS Pensacola. Attendees will be transferred to another week without charge or issued a full refund.

*In the event of a sponsored group’s cancellation or early termination of program, NFA will renegotiate agreements with applicable sponsors.
